

# Fee Schedule

## July 1, 2010

Effective July 1, 2010 the The Wright Center for Graduate Medical Education Institutional Review Board (WCGME-IRB) will charge for the review of **Industry-Sponsored, Government-Sponsored, Other Grant Funded** as well as **Internally Generated and Un-funded** research studies submitted for review. This policy will apply to the initial and continuing review of these studies. Fees for continuing (i.e., renewal) review will be charged on an annual basis, regardless of the duration of the approval period.

<b>Fee Schedule for Scranton-Temple Residency Program IRB Review</b>			
Type of Review:	Industry Sponsored:	Government & Other Grant Funded:	Internally Generated Un-funded Research:
<u>Initial review:</u>			
Full	\$3000.00	\$1500.00	\$750.00
Expedited	\$1250.00	\$625.00	\$300.00*
<u>Continuing review:</u>			
Full	\$1000.00	\$500.00	\$200.00

The submitting Principal Investigator is responsible for the payment of all fees charged for IRB reviews.

Reductions in IRB review fees will be considered based upon documented budget limitations. Requests must be submitted in writing, with all appropriate budget documentation, to the Administrator, WCGME-IRB. The Principal Investigator will be notified in writing if the request is approved or not approved.

\* Expedited studies submitted by Interns, Residents or Students will be billed at the reduced rate of \$100.00.
